

## HeyMath! Fusion – For Parents

Here are the quick highlights of the App

- Receive notifications when HeyMath! assignments are issued
- View completion status on the go
- Know your child's topic-wise proficiency

## Instructions to download the HeyMath! Fusion App - Available for Android and iOS.

1) Open the Play Store / App store from your mobile and type the keyword as "HeyMath! fusion" and search for the application as shown below

2) Select the App and install it.

3) Launch the app and sign in with your Google account

4) Enter your child's HeyMath! User ID when prompted.

5) Enter the 4-digit code to link your child's account

## Steps to obtain pair code -

A) Login to <u>www.heymath.com</u> and enter your HeyMath! User ID and password
