

HeyMath! Dashboard – For Teachers

Monitor Student Progress on Your Mobile Phone

Here are the quick highlights of the App:

- Whole class performance on every test
- Question-wise performance for every test, which will help identify topics that need intervention
- Student-wise data help identify topics of weakness at the individual student level
- Create a "watch-list" of students who need more support

Instructions to download "Teacher Dashboard" App - Available for Android and iOS.

1) Open the Play Store / App store on your mobile and type the keyword "dashboard heymath" and search for the application as shown below

2) Select the App and install it.

3) Launch the app and sign in with your User ID

4) On login, a Dashboard appears showing summary of assignments issues by you and other teachers, across grades. Tap 'Me' to see the status of assignments assigned by you. Tap 'Others' to see the teachers list; tap on a teacher's name to get the details.
